

# **Kilcoy Classics on Wheels**

**In association with Kilcoy Wood Wine & Art Festival**

Dear Fellow Classic Car and Motorbike Enthusiasts

We are writing to invite you to participate in a new motoring event held in South East Queensland, Kilcoy Classics On Wheels.

This event aims to showcase classic cars and motorbikes in all states of restoration not just those at show level standards, as well as holding a swap meet for motoring enthusiasts.

As you will see from the trophy categories we are aiming to encourage club participation while still promoting individual entries.

Our incorporation with the Kilcoy Wood Wine and Art Festival will broaden the appeal of the event and have something to offer everyone as well as encourage greater spectator participation.

We would appreciate this being raised as an item at your next meeting and look forward to your favourable response.

Regards

Event Committee  
Kilcoy Classics On Wheels
